36. **JURISDICTION**

Legal proceedings, if any, against the Maharashtra State Mining Corporation Limited shall be instituted in the appropriate Courts of **Nagpur only**.

37. **FAILURE OF CONTRACTOR :-**

In case of termination of the contract due to the contractor's failure to undertake the works as per directives of the Mines Manager or to complete the work as per schedules, the amount due to him, on account of work executed by him, if payable, shall be paid to him, only after due recoveries, as per the provision of contract, and only after alternative arrangement to complete the work have been made, at the risk and cost of the contractor and the security deposit of the contractor shall be forfeited.

38. **FORCE MAJEURE CLAUSE :-**

Should the performance of the agreement be hindered, prevented or delayed owing to

- a) Political disturbance, riot or civil commotion, strike, lock-out, stoppage of work by labours/miners/workmen at mine or at the site of the buyers or in course of transit or connection therewith.

OR

- b) Total or partial breakdown at mines of Maharashtra State Mining Corporation Limited, buyers or of Railway or other means of transport or Act of God, such as storms, earthquakes, tempests, droughts, epidemics, quarantine, etc. which affected the mining operation.

OR

- c) Non availability of ore or grade thereof in the mine to the satisfaction of Maharashtra State Mining Corporation Limited.

Suspension of the operations may then be mutually decided by the Contractor and the Maharashtra State Mining Corporation Limited during continuance of such events or happenings, provided that the party unable to perform its part under the agreement informs the other party forthwith in writing of such event or happenings to enable taking a mutual decision including the aspect of resumption.

The successful bidder will advise, in the event of his having to resort to this clause by registered letter duly certified by the statutory authorities the beginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such Force Majeure conditions. In the event of delay last over one month, if arising out of Force Majeure the company will reserve the right to cancel the contract and the provision governing termination of contract will apply.

For delays arising out of Force Majeure the bidder will not claim extension in completion date attributable to the Cause of Force Majeure and neither the company nor the bidder shall be liable to pay extra costs provided it is mutually established that Force Majeure condition did actually exist.

**In no case the extension of dates will be allowed after the expiry of Mining Lease.**

39. **TERMINATION OF CONTRACT :-**

1. Maharashtra State Mining Corporation Ltd. reserves the right to terminate the contract, in full or in part with sixty days clear notice to the contractor, and the security deposit shall be forfeited, if :-
  - 1.1 The contractor defaults in proceeding with the works due to lack of diligence and/or non compliance of any of the terms and conditions, stipulated in the contract.
  - 1.2 The contractor fails to execute the work, as per the schedule furnished at Page Nos. 18, 19 & 20.
  - 1.3 The contractor or firm or any of the partners represented by the contractor, in the subject contract is adjudged as Insolvent by the concerned authority.
  - 1.4 The contractor assigns/transfers/sub-lets the entire work or its portion thereof without the approval of the Accepting authority.
  - 1.5 The contractor fails to achieve the monthly targeted quantity and/or defaults in payment of facilitation and supervision charges towards the minimum agreed quantity to MSMCL.
  - 1.6 The contractor offers to give or agrees to give to any person in the company's service, a gift or any other consideration, as inducement or reward for seeking benefits in the contract.

**2. Termination of the contract in full or in part – Recovery from the Contractor.**

- 2.1 The Mine Manager or office in charge shall determine the amount, if any that is recoverable from the contractor, for the completion of the work, together with penalties and loss or damage, suffered by the company, as a result of the above termination.
- 2.2 The amount of compensation so worked out by the officer in charge shall be recovered from the contractor's dues on any account and if same is not sufficient, the contractor shall be called up on to make good the balance within 30 days.
- 2.3 If the contractor fails to pay to the company any sum due within the stipulated period of 30 days, the officer in charge shall have the right to seize and sale part or all the materials/plant/equipment/implements/temporary buildings etc., belonging to the contractor and apply the proceeds thereof towards the satisfaction of any sum due from the contractor.

**3. Termination of contract, on death :-**

- 3.1 If the contractor is an individual or a Proprietary concern and the individual or the proprietor dies or if the contractor is a partnership concern and one of the partner dies, then unless MSMCL is satisfied that the legal representatives of the individual contractor or of the proprietor of the proprietary concern and in case of partnership, the surviving partners are capable of completing the contract, the MSMCL shall be entitled to cancel the contract, as to its uncompleted part, without the company, in any way, being liable to pay any compensation to the estate of the deceased contractor and/or to the surviving partners.
- 3.2 In the event of such cancellation, the company shall not hold the estate of the deceased contractor and/or the surviving partners of the firm liable to damages for not completing the contract.

**40. FORE CLOSURE :-**

If at any point of time, after the acceptance of the tender the company decides to close abandon or reduce the scope of the contract work, for any reasons whatsoever, the officer in Charge shall give notice in writing of sixty days to that effect to the contractor and the contractor shall have no claim for any payment, on account of compensation or on account of profit advantage, that he would have derived by way of execution of work, but could not do so, because of foreclosure.

However, the contractor shall be paid at contract rates, full amount for works executed at site and a reasonable amount as certified by the officer in charge for the items mentioned hereunder, which could not be utilized, on the work to the full extent, because of foreclosure.

- 1.1 Any expenditure incurred on preliminary site work e.g. temporary access roads, accommodation, water storage tanks etc.
- 1.2 If any material supplied by the company to the contractor are rendered surplus, the same shall be returned by the contractor to the company at rates, at which they were originally issued together with a reasonable cost on account of transportation from then site to the stores of the company.

41. **SUB VENDOR :-**

The contract agreement will specify major items of supply of services for which the contractor proposes to engage sub-vendor. The contractor may from time to time propose any addition or deletion from such list and will submit the proposal in this regard to the officer in charge. Such approval of the officer in charge will not relieve the contractor from any of his obligations, duties and responsibilities under the contract.

42. **DEVIATION :-**

Deviation sought by the bidder whether they are Commercial or technical must only be given within the schedule, prescribed for them. Any willful attempt by the bidders to camouflage the deviation, by giving them in the covering letter or any other documents, than the prescribed schedules shall render the bid itself non-responsive.

43. **SUB-CONTRACTING :-**

- 43.1 The contractor shall not sublet to any party or parties, the whole or any portion of the work under the contract without express permission of MSMCL.
- 43.2 If a tenderer submits his bid, qualifies, but does not get the contract, because of his not being the lowest, he will be prohibited from working as a sub-contractor of the one, who may be executing the contract.

44. This notice of tender shall form part of the agreement between MSMCL and the successful contractor for the purpose of this contract.

45. The tenderer shall submit the list of equipment which will be used by him or execution of works. The tenderer shall also submit a list of the technically qualified personnel's of his company.

46. The tenderer shall carefully read all the terms and conditions and the same shall be signed by him or his authorized representative, in token of acceptance of the same.

47. Rates quoted by the tenderer shall be firm and fixed.

48. **PAYMENT TO THE MSMCL :-**

- 48.1 The Party will be required to make the following payments in advance to the MSMCL upto 10<sup>th</sup> day of every month.
- i) Advance Full amount of the premium payable to MSMCL against the agreed/target quantity based on quartzite to be produced and sold by the party every month irrespective of the actual sale quantity of mineral. In case of less sale, MSMCL will not refund the amount of shortfall in sale of agreed quantity.
  - ii) The above premium will be calculated on basis of the rate quoted for the production of quartzite for the agreed quantity as mentioned in the tender and not on the dispatched/lifted quantity or otherwise.
  - iii) Salary of the statutory qualified personnel (other than Mine Manager) along with amount towards P. F. & other benefits, to be paid by contractor if they are deployed at the mine by MSMCL.
- 48.2 MSMCL will raise the monthly invoice on the basis of measured actual production and analysis report of the minerals produced in the previous month. The contractor would also be required to pay the difference of premium of agreed quantity and actual production of previous month, within 7 days from the date of invoice.
- 48.3 If the above payments are not made within the scheduled time, the contractor has to pay an interest on the due amount at the rate of 12% per annum, compounded on monthly basis.

49. **PROCEDURE FOR MEASUREMENT AS PER MINING RULES & TERMS OF PAYMENT :-**

- a) MSMCL will verify the quantity of different grades of ore dispatched during the month, in presence of the contractor's representative jointly. The quantity so arrived would form the basis of making payment to the MSMCL, but the actual payment would not be less than the agreed quantity of this tender.
- b) The Contractor will update the working plan in every three months (quarterly) to assess the quantity of ore and over burden likely to be produced during the quarter. Difference in shortfall of the production, if any, will be required to be justified by the Contractor.
- c) Contractor would be required to undertake all ancillary work required to produce targeted quantity of Graded ore, viz. dewatering, mine development, maintenance of benches and haul road etc. as per M.M.R. 1961, MCDR – 2017, etc.
- d) The contractor shall stack the different grades of ore produced as per direction and to the satisfaction of MSMCL.
- e) If any material or quantity of ore produced is found to have been dispatched fraudulently or without accounting for the same, then the ores so dispatched will be seized and contractor will be penalized by forfeiture of his Security Deposit and termination of the contract along with black listing of the contractor.

50. **ESCALATION :-**

There will be price escalation of 10% in the premium rates quoted by tenderer, every year.

51. **SAMPLING & ANALYSIS :-**

- 1) Production would be sampled by the MSMCL before dispatch directly or through independent sampler and the samples would be analysed in the laboratory approved by the Corporation, the result of which would be final. The sampling charge shall be paid by the contractor.
- 2) The contractor would always provide necessary assistance to draw and prepare samples at mine site.

52. **TIME FOR OBTAINING STATUTORY CLEARANCES :-**

- 1) A period of 1 (one) year from the date of issuance of Work Order will be provided to the successful bidder for obtaining/availing the following clearances from the respective competent authorities:-
  - (a) Preparation and getting approval of Mine Plan.
  - (b) Obtaining Environmental Clearance from MoEFCC &
  - (c) Consent to Establish/Operate from Maharashtra Pollution Control Board,
  - (d) Any other clearance from any other statutory department.
- 2) If all the above clearances are obtained within a period of one year, the contractor has to start actual mining operations within 15 days of getting such clearances.
- 3) MSMCL will charge the agreed premium quoted in the price bid after the completion of one year period or after 15 days of getting approvals from the authority, whichever is earlier.
- 4) If the contractor fails to obtain the above clearances within the scheduled time, MSMCL will charge the quoted premium after the completion of this period.
