1. TEXT OF ADVERTISEMENT:

Invitation for Expression of Interests

Maharashtra State Mining Corporation (MSMC) Limited invites sealed Expression of Interest from Consulting agencies/Expert persons for *'Consultancy Services for revival of existing mines, suggesting mines & mineral based industries, value addition and mineral beneficiation of all minerals suggested by Maharashtra State Mining Corporation Limited'*.

The EoI document containing the details of qualification, criteria, submission, requirement, brief objective & scope of work can be downloaded from the official website of MSMC i.e. on msmc.gov.in.

Last date of submission of EoI is **26.10.2018** upto 2.00 PM. Sealed envelope marked to the captioned address shall reach on or before the above last date.

The Managing Director,
Maharashtra State Mining Corporation Limited,
Khanikarm Bhawan, Plot No. 7,
Ajni Square, Wardha Road,
NAGPUR – 440 015.

The EoI shall be opened on the same day at 4.00 PM.

NOTE:

Eligible Technically qualified consultant shall be required to give his presentation before the management committee of MSMC.

A suitable date shall be informed to the consultant.

MSMC shall bear no cost for giving the presentation.

Management shall have all the rights to accept or reject the proposal without giving any reasons.

2. BACKGROUND:

MSMC was established on 14th November 1973 as the nodal agency for the commercial and profitable exploitation and marketing of all minerals in the state of Maharashtra.

MSMC is headquartered in Nagpur and is under the administrative control of the Principal Secretary – Industries, Government of Maharashtra.

MINES OF M.S.M.C.

MSMC is having 10 mining leases of different minerals, such as Iron Ore, Limestone, Dolomite, Fluorite, Sillimanite, Kyanite, Pyrophyllite, Quartzite, Silica Sand, Feldspar, etc. in Vidarbha and Konkan Region of Maharashtra State.

Mines in Operation:

- 1) **KHURSIPAR IRON ORE MINE**: **Lease area: 4.37 Ha.** (Tal.: Amgaon, District: Gondia)
- 2) **DONGARGAON FLUORITE MINE**: **Lease area: 31.22 Ha** (Tal.: Warora, Dist.: Chandrapur)
- 3) **POHARA SILLIMANITE MINE**: **Lease area: 39.40 Ha** (Tal.: Lakhni, District: Bhandara)
- 4) **PATGOWARI DOLOMITE MINE**: **Lease area: 55.63 Ha** (Tal.: Ramtek, District: Nagpur)
- 5) **NAVARGAON CHOWA KYANITE MINE** : **Lease area: 40.61 Ha** (District: Bhandara)

Operated through PPP

- 6) & 7) **GAURALA LIMESTONE MINE (PART-1 AND PART-2)**: (Taluka: Maregaon
District: Yeotmal) **Operated through PPP**

Both the mines are adjoining leasehold area for Part-1 is 116.13 Ha and Part-2 is 3.62 Ha respectively.

- 8) & 9) **GARHPENDHRI MINE (EAST AND WEST)**: (Taluka: Lakhni,
District: Bhandara) **Operated through PPP**

Both the mines are adjoining, the leasehold area of East Part is 28.70 Ha and for

West Part is 17.56 Ha respectively.

3. SCOPE OF WORK:

1)	Review of Current Mines of MSMC: The objective of this exercise shall be to undertake a detailed Technical and Financial Due Diligence of existing mines/new mines to be allotted by the Government and suggest plans for its development as well as for Mineral Beneficiation/ Setting up of Value addition plants etc. Plan for System Improvement and better utilization of resources shall be submitted to MSMCL.
2)	Undertake Prospecting of the Mineral Wealth of Maharashtra and submit a Detailed Report to MSMCL enabling MSMCL to identify new mines for development.
3)	Based on the prospecting report submitted, MSMCL shall identify new mines for development and based on these new mines various Mineral based industries can be planned so as to develop the mining areas further. Consultant shall also evaluate the possibility of developing Mineral based clusters near various mine locations. Viability Reports for development of Mineral based industries/clusters shall be prepared and submitted to MSMCL.
4)	Preparation of Sales Management Manual for the disposal of the existing minerals of MSMCL and to undertake a Feasibility Study for setting up of value added industries shall be done by the Consultant.
5)	Assist MSMCL in obtaining mining leases of major minerals and assisting MSMCL in the development and mining of these mines. Plan should also be submitted for the development and planning of the existing mines available with MSMCL
6)	Evaluate the opportunity of MSMCL becoming the nodal agency of MOIL Limited for supply of Manganese to various industries in the State. Assisting MSMCL in identifying various high value minerals in the region and obtaining the mining leases for the same.
7)	Evaluate the opportunity of MSMCL becoming the nodal agency for supply of qualitative Coal as per the requirement of State Power Generating Companies.
8)	To study the potential of supplying Crushed Sand to the industries in the region by setting up of Sand Crushing Units and based on this viability.
9)	Planning for the future development of mineral sector in the State so that employment generation for the unemployed youth across sectors in the State is enhanced substantially.
10)	To produce a plan to setup a new mineral based industry in the state
11)	Advise on the planning for the Corporate Social Responsibility to be undertaken by MSMCL.
12)	Advise MSMCL for the overall development of the Mineral Sector in the State through existing and innovative project structures. Advise MSMCL by preparing Revenue Enhancement Strategies. Advise MSMCL of various project structures such as joint venture company, public private partnerships and other welfare schemes and with full Risk Mitigation strategies for its successful implementation.

Note: Consultant can apply for all or any of the above activities.

4. Presentation : After Opening the technical Envelop technical qualified consultant will be call for presentation based on the presentations the consultant will be appointed for each sector/ value addition/ industry separately appointed.
